CHAIRMAN'S MESSAGE

Dear Shareholders,

It gives me immense pleasure to present to you the 38th Annual Report of the Company. I extend my sincere gratitude for your continued support and trust, which have been invaluable during this period of transition.

On behalf of the Board of Directors, I would like to highlight some key financial developments for the year ended 31st March, 2025:

- The gross revenue declined significantly to ₹0.75 lakh, as compared to ₹81.60 lakh in the previous financial year, reflecting the impact of reduced business activity.
- The EBITDA stood at ₹(457.96) lakh, primarily due to the decline in operational performance.

The Company is currently undergoing a strategic transition towards real estate activities, with the objective of achieving long-term stability and growth. As part of this initiative, the Board of Directors has proposed renaming the Company to **India Homes Limited**, subject to your approval. Additionally, the Company has entered into partnerships with reputed real estate developers to commence development project on its factory land located at Khopoli.

These are undoubtedly challenging times. However, your unwavering support and encouragement have remained the cornerstone of our resilience. We remain steadfast in our commitment to guide the Company moving to a stable, sustainable, and growth-oriented future, and we sincerely seek your continued trust and support in this journey.

I would also like to take this opportunity to extend my deepest appreciation to our lenders, customers, suppliers, employees, workers, and unions for their consistent cooperation and dedication throughout the year.

Your commitment is both acknowledged and deeply appreciated.

Yours Sincerely,

Sudhir H. Gupta
Executive Chairman

RESOLVED FURTHER THAT the Board be and is hereby authorised to do all such acts, deeds matters and things and to sign all such agreements, documents, papers and writings as may be deemed necessary, expedient or desirable to give effect to above resolutions.

RESOLVED FURTHER THAT all actions taken by the Board in connection with any matter referred to or contemplated in any of the foregoing resolutions are hereby approved, ratified and confirmed in all respects."

9. Approval to the Board for raising loan with an option to convert the same into fully paid Equity Shares of the Company in the event of default under Section 62(3) of the Companies Act, 2013.

To consider and if deemed fit, to pass with or without modification(s), the following resolution as a **Special Resolution**:

“RESOLVED THAT pursuant to Section 62(3) and other applicable provisions, if any, of the Companies Act, 2013 ("the Act") and Rules made there under and in accordance with the Memorandum of Association and Articles of Association of the Company and applicable regulations and subject to all such approval(s), consent(s), permission(s), sanction(s), if any, of appropriate statutory, governmental and other authorities and departments in this regard and subject to such condition(s) and modification(s) as may be prescribed or imposed, while granting such approval(s), consent(s), permission(s) or sanction(s), the consent of the Company be and is hereby accorded to the Board of Directors of the Company (hereinafter referred to as the "Board" and shall include duly constituted Committee(s) thereof), on the terms & conditions contained in the Unsecured Loan Agreements / other documents (here in after "financing documents"), such terms & conditions to provide, inter alia, to convert the whole or part of the outstanding unsecured loans of the Company (whether then due or payable or not), with various corporate bodies whether related to the promoters or not (inter corporate unsecured Loans), Directors of the Company and others (hereinafter collectively referred to as the "Lenders") and at the option of the said Lenders, the unsecured loans or any other financial assistance categorized as unsecured loans (hereinafter referred to as the "Financial Assistance"), in Indian Rupees, which have availed / may be availed / received / to be received from the Lenders, from time to time, not exceeding Rs. 300 Crores (Rupees Three Hundred Crores), consistent with the borrowing powers of the Company under Section 180(1)(c) of the Act, into fully paid- up equity shares of the Company on such terms and conditions as may be stipulated in the financing documents and subject to applicable law and in the manner specified in a notice in writing to be given by the Lenders (or their agents or trustees) to the Company (hereinafter referred to as the "Notice of Conversion") and in accordance with the following conditions:

- i. the conversion right reserved as aforesaid may be exercised by the Lenders in the event of the default / inability of the Company to repay, as stipulated in the unsecured Loan Agreement / the Financial Assistances;
- ii. on receipt of the Notice of Conversion, the Company shall, subject to the provisions of the financing documents, allot and issue the requisite number of fully paid-up equity shares to the Lenders or any other person identified by the Lenders as from the date of conversion and the Lenders may accept the same in satisfaction of the part of the loans so converted;
- iii. the part of the unsecured loans so converted shall cease to carry interest as from the date of conversion and the said loan shall stand correspondingly reduced, upon such conversion, the repayment installments of the unsecured loans payable after the date of conversion as per the financing documents shall stand reduced proportionately by the amounts of the unsecured loans so converted;
- iv. The equity shares so allotted and issued to the Lenders or such other person identified by the Lenders shall carry, from the date of conversion, the right to receive proportionately the dividends and other distributions declared or to be declared in respect of the equity capital of the Company. Save as aforesaid, the said shares shall rank pari-passu with the existing equity shares of the Company in all respects;
- v. in the event of default that the Lenders exercise the conversion right as aforesaid, the Company shall at its cost get the equity shares, issued to the Lenders or such other person identified by the Lenders as a result of the conversion, listed with such stock exchange and for the said purpose the Company shall take all such steps as may be necessary to the satisfaction of the Lenders or such other person identified by the Lenders, to ensure that the equity shares are listed as required.
- vi. the unsecured loans shall be converted into equity shares at a price to be determined in accordance with the applicable rules / regulations / guidelines of Securities and Exchange Board of India and / or any other appropriate authorities, at the time of such conversion.

RESOLVED FURTHER THAT the Board be and is hereby authorized to finalise the terms and conditions for raising the Financial Assistance, from time to time, with an option to convert the Financial Assistance into equity shares of the Company anytime during the currency of the Financial Assistances, on the terms specified in the financing documents, including upon happening of an event of default by the Company in terms of the loan arrangements.

RESOLVED FURTHER THAT on receipt of the Notice of Conversion, the Board be and is hereby authorized to do all such acts, deeds and things as may be necessary and shall allot and issue requisite number of fully paid-up equity shares in the Company to such Lenders.

RESOLVED FURTHER THAT the Board be and is hereby authorized to issue, offer and allot from time to time to the Lenders such number of equity shares for conversion of the outstanding loans as may be desired by the Lenders and acceptable to the Board of Directors of the Company.

RESOLVED FURTHER THAT the Board be and is hereby authorized to do such modifications and to accept such terms and conditions, as may be required and / or arising from or incidental to the aforesaid terms providing for such option and to do all such acts and things as may be necessary to give effect to this resolution.

RESOLVED FURTHER THAT for the purpose of giving effect to this resolution, the Board, be and is hereby authorised to do all such acts, deeds, matters and things, as it may in its absolute discretion deem necessary, proper or desirable as may be required to create, offer, issue and allot the aforesaid shares, to dematerialize the shares of the Company and to resolve and settle any question, difficulty or doubt that may arise in this regard and to do all such other acts, deeds, matters and things in connection or incidental thereto as the Board in its absolute discretion may deem fit, without being required to seek any further consent or approval of the members or otherwise to the end and intent that they shall be deemed to have given their approval thereto expressly by the authority of this resolution.

RESOLVED FURTHER THAT the Board be and is hereby also authorized to delegate all or any of the powers herein conferred by this resolution on it, to any Committee of Directors or any person or persons, as it may in its absolute discretion deem fit in order to give effect to this resolution.”

In compliance with the applicable provisions of the Companies Act, 2013 ("**Act**"), the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**SEBI Listing Regulations**"), and pursuant to the Ministry of Corporate Affairs, Government of India ("**MCA**") General Circular No. 14/2020 dated 8th April, 2020, General Circular No. 17/2020 dated 13th April, 2020, General Circular No. 22/2020 dated 15th June, 2020, General Circular No. 33/2020 dated 28th September, 2020, General Circular No. 39/2020 dated 31st December, 2020, General Circular No. 10/2021 dated 23rd June, 2021, General Circular No. 20/2021 dated 8th December, 2021, General Circular No. 03/2022 dated 5th May, 2022, General Circular No. 11/2022 dated 28th December, 2022, General Circular No. 09/2023 dated 25th September, 2023 and General Circular No.9/2024 dated September 19, 2024 (In continuation with the Circulars issued earlier in this regard) ("**MCA Circulars**") and other circulars issued in this respect ("**MCA Circulars**") and the Securities and Exchange Board of India ("**SEBI**") Circular No. SEBI / HO / CFD/PoD-2/P/CIR/2023/4 dated 5 January 2023, SEBI Circular No. SEBI / HO / CFD / CFD-PoD-2/P/CIR/2024/133 Dated October 3, 2024 (in continuation with the Circulars issued earlier in this regard) the 38th Annual General Meeting of the Company ("**AGM**") is being held through VC / OAVM without the physical presence of the Members at a common venue. The deemed venue for the 38th AGM shall be the Registered Office of the Company.
3. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. However, as this AGM is being held through VC / OAVM, and physical attendance of Members has been dispensed with, the facility for appointment of proxies by the Members will not be available for the AGM and therefore the Proxy Form and Attendance Slip, route map showing direction of the venue of the meeting are not annexed to this Notice.
4. In pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the body corporate can attend the AGM through VC / OAVM and participate there at and cast their votes through e-voting. Institutional / Corporate Shareholders (i.e., other than individuals / HUF, NRI, etc.) are required to send a scanned certified copy (PDF / JPG Format) of their Board or governing body's Resolution / Authorisation, authorising their representative to attend the AGM through VC / OAVM on their behalf and to vote through remote e-voting, to the Scrutiniser through e-mail cs.mayurmore@gmail.com with a copy marked to evoting@purvashare.com and cosec@indiasteel.in.
5. The statement pursuant to Section 102(1) of the Companies Act, 2013, setting out the material facts in respect of the business under Item Nos. 4 to 12 set out in this Notice and the details under Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and applicable clause of Secretarial Standard on General Meeting (SS-2) issued by the Institute of Company Secretaries of India, in respect of the persons seeking appointment/re-appointment as Director at the AGM, is annexed to this Notice- **Annexure-A**.
6. Pursuant to MCA Circulars & SEBI Circulars Notice of the AGM along with the Annual Report for F.Y. 2024-25 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories.
The Company shall send the physical copy of the Annual Report FY 2024-25 to those Members who request the same at cosec@indiasteel.in mentioning their Folio No./DP ID and Client ID.
Members may note that the Notice and Annual Report 2024- 25 will also be available on the Company's website www.indiasteel.in, website of the Stock Exchange i.e., BSE Limited and website of PURVA i.e. <https://evoting.purvashare.com/>.

**PURVA E-VOTING SYSTEM – FOR REMOTE E-VOTING AND E-VOTING DURING AGM**

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No. 17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Purva Sharegistry (India) Private Limited (Purva) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by Purva.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at WWW.Indiasteel.in. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited www.bseindia.com. The AGM Notice is also disseminated on the website of PURVA (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. <https://evoting.purvashare.com/>.
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of this Ministry's **General Circular No. 20/2020**, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January, 13, 2021.

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on **Tuesday, 12th August, 2025 at 9:00 A.M. (IST) and ends on Friday, 15th August, 2025 at 5:00 P.M. (IST)**. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date **Saturday, 9th August, 2025** (record date) may cast their vote electronically. The e-voting module shall be disabled by Purva for voting thereafter.
The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company **as on the cut-off date i.e. Saturday, 9th August, 2025**.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholder's / retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email ID in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

The Board of Directors has recommended the appointment of Mayur M. More, Proprietor M/s. Mayur More & Associates, Company Secretaries, (Peer review Certificate No.: 2584/2022), as the Secretarial Auditor of the Company, pursuant to the provisions of Regulation 24A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 204 of the Companies Act, 2013 and rules made thereunder to carry out Secretarial Audit for consecutive 5 years, i.e. from the FY. 2025-26 to FY. 2029-30.

Written consent of the Secretarial Auditors and confirmation to the effect that they are eligible and not disqualified to be appointed as the Auditors of the Company in the terms of the provisions of the Listing Regulations, the Companies Act, 2013 and the rules made thereunder is obtained.

None of the Directors/Key Managerial Personnel of the Company/their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Resolution No. 4 of the Notice.

The Board of Directors recommends the Ordinary Resolution set out at Resolution No. 4 of the Notice for approval by the Shareholders.

Item No.5: Approval to the change of the name of the Company.

Out of the names proposed by the Board "INDIA HOMES LIMITED" was approved by Central registration Centre (CRC), Ministry of Corporate Affairs (MCA) on 21st June, 2025. It may be noted that the name approved by the MCA is reserved for a period not exceeding 60 days (i.e., till 20th August, 2025) from the date of approval.

The Board of Directors on 17th July, 2025 has approved the change in the name of the Company "INDIA STEEL WORKS LIMITED" to "INDIA HOMES LIMITED" and the consequent alterations to the Memorandum of Association and the Articles of Association of the Company, subject to the approval of the shareholders of the Company by way of special resolution and approvals of requisite statutory, regulatory or governmental authorities, as may be required under applicable laws.

Shareholders' approval is required on the reserved name "INDIA HOMES LIMITED". As per the provisions of Sections 13 and 14 of the Companies Act, 2014, approval of the shareholders is required to be accorded for changing the name of the Company and consequent alteration in the Memorandum of Association and Articles of Association by way of passing a special resolution. As a result of change in the name of the Company, clause I of the Memorandum of Association is also required to be suitably amended and in terms of Section 14 of the Companies Act, 2013, the Articles of Association of the Company is also required to be altered by deleting the existing name 'India Steel Works Limited' wherever appearing and substituting it with the new name of the Company as "INDIA HOMES LIMITED".

The members may note that there is a proposal to change the business activity of the Company Viz. from manufacturing of Steel products to Real Estate activities. However, the proposed change in the name of the Company would not result in change of the legal status, constitution nor would it affect any rights or obligations of the Company or the members and stakeholders.

The Company has complied with Regulation 45 of the Listing Regulations, to the extent they are applicable, and has also obtained a certificate from a Practicing Chartered Accountant in respect of the same, copy of which is annexed herewith as **Annexure -B**.

None of the Directors, Key Managerial Personnel and their relatives is concerned or interested in the passing of the aforesaid resolution, except to the extent of their shareholding, if any.

The Board of Directors recommends the resolutions set forth above, at Item no. 5, for the approval of the Members as a **Special Resolution**.

Item No.6: Approval to the alteration of Articles of Association of the Company:

In order to have powers/ authority in Articles of Association of the Company to convert financial assistance including loans availed / to be availed by the Company from Banks/financial institutions / Bodies Corporate /Promoter/ Promoter Group Company / intercorporate loans or any entity / person into equity shares, it is advisable to alter the Articles of Association by substituting Article 18 with the new Article as explained in the Resolution.

As per Section 14 of the Companies Act, 2013 and rules framed thereunder, approval of members by way of Special Resolution is required to alter the Articles of Association of the Company.

None of the Directors, Key Managerial Personnel (KMPs) of the Company or any relatives of such Directors or KMPs, are in any way concerned or interested financially or otherwise in the proposed Resolution.

The Board recommends the **Special Resolution** mentioned at Item No.6 of the Notice, for the approval of the Members.

Item No.7: To recall the Special Resolutions & Ordinary Resolution passed at the 1st ('EGM' No.1/2024-25) Extra Ordinary General Meeting of the Company in connection with raising of funds & increase in the Authorized Share Capital & consequential amendment to Memorandum of Association of the Company:

Anticipating a large capital infusion, the Company had increased its authorized share capital from Rs.107,00,00,000/- (Rupees One Hundred and seven crores) divided into 42,00,00,000 (Forty-two crores) Equity Shares of Re. 1/- (Rupee One) each and 6,45,00,000 (Six crores and Forty-Five Lacs) Preference Shares of Rs. 10/- (Rupees Ten) each and unclassified shares of the value of Rs.50,00,000 (Rupees Fifty Lacs) to Rs. 130,00,00,000/- (Rupees One Hundred and Thirty Crores) which shall be divided into 65,00,00,000 (Sixty-Five Crores) Equity Shares of Re. 1/- (Rupee One) each, 6,45,00,000 (Six crores and Forty-Five Lacs) Preference Shares of Rs. 10/- (Rupees Ten) each and unclassified shares of the value of Rs.50,00,000 (Rupees Fifty Lacs) by creation of additional 23,00,00,000 (Twenty-Three Crore) equity shares of 1/- (Rupees One only).

Consequent to this the Capital Clause was required to be altered. However, the Special Resolutions passed in connection with raising of funds & increase in the Authorized Share Capital & consequential amendment to Memorandum of Association of the Company could not be acted upon and the Authorised Share Capital has remained unchanged till date. The Paid-up Share Capital has also not increased. In view of the same the Board recommends cancellation of the said Special Resolutions / Ordinary Resolution passed in connection with raising of funds, increase in the Authorized Share Capital & consequential amendment to the Memorandum of Association of the Company.

The proposed cancellation, revocation, set aside of the Resolutions will not have any effect on the rights of existing shareholders' or any other stakeholders since it has not been effected.

It is submitted that none of the Directors or Key Managerial Personnel of the Company or their relatives is, whether directly or indirectly, concerned or interested, financially or otherwise, in the passing of the resolution except to the extent of their shareholding, if any, in the share capital of the Company.

The Board of Directors recommends passing of the **Special Resolution** as contained at Item No.7 of this notice for the approval of the Members.

Item No.8: Approval to the increase in the borrowing limits in excess of Paid-up Capital & Free reserves:

Pursuant to Section 180 (1) (c) of the Companies Act, 2013 ("the Act") a Special Resolution was passed at the Annual General Meeting held on August 19, 2017 the Shareholders of the Company had authorised the Board of Directors of the Company to borrow moneys for the purpose of the Company's business in excess of the paid-up capital of the Company and its free reserves, provided the sum or sums so borrowed and remaining outstanding at any point of time not to exceed Rs. 250 Crores (Rupees Two Hundred Fifty Crores).

Keeping in view, the Company's existing and future financial requirements to support its business operations, to repay the trade payables & other liabilities, the Company needs additional funds. For this purpose, the Company is desirous of raising finance from various Banks and/or Financial and/or any other lending institutions and/or Bodies Corporate including Promoters Group Companies and/ or Directors of the Company and/or such other persons / individuals as may be considered fit, which, together with the moneys already borrowed by the Company may exceed the aggregate of the paid-up capital and the free reserves of the Company.

Hence it is proposed to increase the maximum borrowing limits up to 500 Crores (Rupees Five Hundred Crores). Pursuant to Section 180(1)(c) of the Act, the Board of Directors cannot borrow more than the aggregate amount of the paid-up capital of the Company and its free reserves at any time except with the consent of the members of the Company in a general meeting by a Special Resolution.

Accordingly, consent of the Members is being sought for borrowings in excess of the paid-up capital and free reserves of the Company.

Except Mr. Sudhir H. Gupta (Executive Chairman), Mr. Varun S. Gupta (Managing Director), Mr. Siddharth S. Gupta (Jt. Managing Director), Mrs. Priyanka V. Gupta (Non-executive Director) and their relatives, none of the Directors or Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Special Resolution set out in this Notice, except to the extent of their respective shareholding, if any, in the Company.

The Board recommends the **Special Resolution** set forth in Item No.8 of the Notice for approval of the Members.

**Item No.9: Approval to the Board to raise loans subject to condition to convert the same into fully paid- up equity shares of the Company in the event of default.**

The Company is required to pass a Special Resolution under Section 62(3) of the Companies Act, 2013 and other applicable provisions of the Companies Act, 2013 and Rules made thereunder to convert the unsecured loans received / to be received from the promoters group Companies, Directors of the Company or any other persons or any other financial assistance granted by the Banks, Financial Institutions, bodies corporates (hereinafter referred to as the "Lenders") into equity shares of the Company in the event of default, upon such terms and conditions as may be deemed appropriate by the Board and at a price to be determined in accordance with the applicable laws at the time of such conversion.

Section 62(1)(c) of the Companies Act, 2013, inter-alia, provides that where at any time, a Company having a share capital proposes to increase its subscribed capital by issue of further shares, such shares shall be offered to any person, if it is authorized by a special resolution either for cash or for a consideration other than cash, and the price of such shares is determined by the valuation report of a registered valuer subject to such conditions as may be prescribed.

Further, Section 62(3) of the Companies Act, 2013, provides that nothing in Section 62 shall apply to the increase of the subscribed capital of a Company caused by the exercise of an option attached to the debentures issued or loans raised by the company to convert such debentures or loans into equity shares in the Company.

For the purposes of such Borrowings, the Company may, from time to time, be required to execute documents, which provides for an enabling option to the Lenders, to convert the whole or any part of such outstanding Financial Assistance (comprising unsecured loans, debentures or any other financial assistance categorised as unsecured loans), into fully paid up Equity Shares of the Company.

Accordingly, the Board recommends the resolution to enable the Lenders, in terms of the lending arrangements, entered / to be entered and as may be specified by the Lenders under the financing documents executed / to be executed in respect of the Financial Assistance availed / to be availed, at their option, to convert the whole or part of their respective outstanding Financial Assistance into equity shares of the Company in the event of default, upon such terms and conditions as may be deemed appropriate by the Board and at a price to be determined in accordance with the applicable laws at the time of such conversion.

Since time is of essence for making the decisions regarding raising the financial assistances or agreeing to terms and conditions for raising the financial assistances (including option to convert unsecured loans into equity), especially keeping in view the interest of the Company, it may not be feasible for the Company to seek Members consent each and every time, in view of the timings and the expenses involved, hence, this enabling resolution.

None of the Directors, Key Managerial Personnel (KMPs) of the Company or any relatives of such Directors or KMPs, are in any way concerned or interested financially or otherwise in the proposed Resolution except Mr. Sudhir H. Gupta (Executive Chairman), Mr. Varun S. Gupta (Managing Director), Mr. Siddharth S. Gupta (Jt. Managing Director) & Mrs. Priyanka V. Gupta (Non-executive Director) of the Company.

The Board recommends the **Special Resolution** mentioned at Item No.9 of the Notice, for the approval of the Members.

Item No.10: To ratify / approve strategic partnership for real estate development of the Land of the Company.

The Board of Directors has proposed a strategic shift towards real estate development / realty business for future growth and profitability. For this purpose, the Company has entered an MOU with Lloyds Realty Developers Limited Mumbai involved in building of complete constructions or parts thereof, including civil engineering and Smartquip Properties Private Limited, for strategic partnership for the real estate development of the Company's land at Village Vihari, Taluka Khalapur, District Raigad, can offer numerous advantages. The Company can leverage combined resources and expertise to enhance the project's success.

Considering the scale and impact of this transaction on the future prospects of the Company, the Board recommends the special resolution for approval of the shareholders to ensure the Company delivers sustainable shareholder value.

None of the Promoters, Directors and Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise in the Special Resolution except to the extent of their Shareholding in the Company, if any.

The above proposal is in the interest of the Company and the Board recommends the **Special Resolution** as set out at Item No.10 for approval by the members of the Company.

Item No.11: Approval to the material related party transactions:

The provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Sixth Amendment)

Regulations, 2021 ("SEBI Listing Regulations"), effective April 1, 2022, mandate prior approval of the Members by means of an ordinary resolution for all material Related Party Transactions ("RPT"), even if such transactions are in the ordinary course of business of the concerned company and at an arm's length basis.

A transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during the financial year, exceed(s) Rs. 1,000 Crore, or 10% of the annual consolidated turnover as per the last audited financial statements of the listed entity, whichever is lower.

The said limits are applicable even if the transactions are in the ordinary course of business of the concerned company and at an arm's length basis. The amended Regulation 2(1)(zc) of the SEBI Listing Regulations has also enhanced the definition of related party transaction which now includes a transaction involving a transfer of resources, services or obligations between a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, regardless of whether a price is charged or not.

Further, SEBI, vide Circular dated 8th April, 2022 has clarified that the omnibus Members approval for material RPTs of the Company, shall be valid up to the date of the next AGM, for a period not exceeding 15 (fifteen) months (maximum validity of 15 months).

In the financial year 2025-2026 and in the next financial year 2026-2027 until the date of the Annual General Meeting of the Company, the transactions of the Company with the below-mentioned Related Parties, may exceed the applicable materiality thresholds, as provided under the SEBI Listing Regulations, as amended from time to time. Information pursuant to SEBI circular no. SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated November 22, 2021:

28. AUDITORS

A. STATUTORY AUDITORS & AUDIT REPORT:

M/s. Laxmikant Kabra & Co LLP, Chartered Accountants, having Firm Registration No.: 117183W / W100736 reappointed as the Statutory Auditors of the Company for the second consecutive term of three years, from the conclusion of the 36th

Annual General Meeting till the conclusion of the 39th Annual General Meeting to be held in the year 2026, to examine and audit the accounts of the Company. The qualification, reservation or adverse remark or disclaimer made by the auditor in the Statutory Audit Report issued by him to the members of the Company, are as follows:

Audit Qualifications:

A. Details of Audit Qualifications:

1. Adverse Opinion:

We have audited the Annual Financial Results of INDIA STEEL WORKS LIMITED (hereinafter referred to as the 'Company') for the year ended March 31, 2025 and the Balance Sheet and the Statement of Cash Flows as at and for the year ended on that date, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the 'Listing Regulations')

In our opinion and to the best of our information and according to the explanations given to and with reference to matters stated in the basis for adverse opinion and going concern paragraph, the Financials results:

- i. are not presented in accordance with the requirements of Regulation 33 and Regulation 52(4) of the Listing Regulations in this regard; and
- ii. does not give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013 (the "Act") and other accounting principles generally accepted in India, of net loss and other comprehensive income and other financial information of the Company for the year ended March 31, 2025, and the balance sheet and the statement of cash flows as at and for the year ended on that date.

2. Going Concern:

The Company's current liabilities exceeded its current assets as of the previous year balance sheet date.

Operations of the company has ceased since long and the company is not in the position to discharge its liabilities. These events or conditions, along with other matters indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, the books of the company are still prepared on historical cost basis. In our opinion the accounts of the company should not be prepared on going concern basis i.e., the assets and liabilities of the company should be stated at net realizable value. The financial statements do not adequately disclose this fact. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

3. Basis for Adverse opinion

- a. We have been informed that during the period, Kotak Mahindra Bank Limited has taken the possession of the factory premises of the company situated at Zenith Compound, Village Vihari, Kahalapur District, Raigad. The primary software used for book keeping, namely SAP, was not accessible due to the above. The company has prepared the books of accounts in different software taking the balances of earlier year's audited financials. We were provided with alternative sources and backup books of accounts to facilitate our audit procedures. Our conclusion is based on the information contained in the backup books that were made available to us. Due to the limited availability of sufficient and appropriate evidence, we are unable to definitively verify or comment on the accessibility of the books of accounts stored on SAP and their potential impact on the financial statements. Consequently, considering this limitation, we have conducted the audit using alternative procedures to the extent feasible.
- b. Inventories amounting to ₹13,534.32 Lakhs have not been valued at lower of cost or Net realisable value which is against the significant accounting policies of the company and is not consistent with Ind AS 2 "Inventories". These inventories held by the company include obsolete and non-moving stock which are valued at cost and is inconsistent with provisions of Ind AS 2. As per the information and documents provided to us, we are of the opinion that work-in-progress amounting to ₹10,608.94 Lakhs and Raw Material amounting to ₹1,705.78 Lakhs held by the company can only fetch scrap value. In the absence of quantitative information and

supporting documents of Finished Goods, Stock in Trade and Stores and Spares amounting to ₹1,219.60 lakhs, we are unable to comment on carrying value of the same and its effect on the financial statements for the year. Accordingly, we believe that the Net-worth of the company is overstated by the said amount.

- c. The Company has not provided us with the requisite information and details relating to transactions with related parties as required under Indian Accounting Standard (Ind AS) 24 – Related Party Disclosures. In the absence of such information, we were unable to obtain sufficient appropriate audit evidence to determine whether the Company has appropriately identified, disclosed, and accounted for related party transactions in accordance with Ind AS 24. Accordingly, we are unable to comment on whether such transactions, if any, were conducted at arm's length and their possible effects on the financial statements of the Company for the year ended 31.03.2025.
- d. Company has not done physical verification or valuation of inventories. On account of the same we are unable to comment on the physical status and/ or recoverable value of such inventories.
- e. The company has shown insurance claim receivable amounting to ₹1,997.69 Lakhs. The said claim has been outstanding since long back and the same has not been approved by appropriate authority till date. In conclusion, showing the said insurance claim as receivable is not showing true and fair view. On account of the same assets of the company are overstated by ₹1,997.69 Lakhs.
- f. Confirmations of the balances of sundry creditors and debtors, loans and advances, Advances given to suppliers and advances received from customers have not been obtained and they are subject to reconciliations and subsequent adjustments if any. As such we are unable to express any conclusion as to the effect on the financial statements for the year.
- g. Sufficient and appropriate documentary audit evidence in respect of Contingent liabilities was not provided to us. As such we are unable to draw any conclusion as to the effect on the financial statements for the year.
- h. The company has not assessed the impact of various disputed statutory liabilities/ liabilities on account of lawsuits as per the requirement of Ind AS 37 "Provision, Contingent Liabilities, Contingent Asset" and hence the effect of the same, if any, on the financial results. The cases are pending with multiple tax authorities and the said claims have not been acknowledged as debt by the company. Income booked on account of certain lawsuits/ disputes are not as per the order passed. Accordingly, we are unable to comment on the effect of the same.
- i. The company has not assessed the Fair Value of various Assets and Liabilities as per the requirement of Ind AS 103 "Fair Value Measurement", the effect of the same, if any, on the financial results is not identifiable. Therefore, we are unable to comment on its impact on the financial results for the year ended March 31, 2025.
- j. The company has not reviewed the impairment of its tangible assets and other financial and non-financial assets as of March 31, 2025. Hence, no provision in the books of account has been made by the Company. In the absence of assessment of impairment/ provisions by the Company, we are unable to comment on the recoverable amount regarding said items.
- k. The company does not have an internal audit system to commensurate with the size and nature of its business. In absence of the same we are unable to comment whether an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2025.
- l. The statement of proper records maintained in India related to Foreign Branch, the Financial Statement of Foreign Branch is not audited by us. Our conclusion is based on unaudited figures provided by the management.

Managements Reply: -

Adverse Opinion {vide 1. Audit Qualifications}:

The Financial Results have been prepared on the basis of accrual Accounting Policy & uniform accounting practices adopted for all periods. The Balance Sheet, P&L Account gives a true and fair view.

**Going Concern Concept {vide 2. Audit Qualifications}:**

The management believes that though the Current Liabilities of the Company exceeds Current Assets of the Company, the Company, having positive net worth will be able to revive business including exploring new business opportunities.

Basis for adverse opinion:**{Kotak Mahindra Bank Limited factory possession vide 3.a: Audit Qualifications}:**

The software used for book keeping up to 31/03/2023 was SAP. The balances shifted to different software namely tally prime edit log in the year 2024. The tally prime edit log report as on 31/03/2025 was not generated due to technical reason not provided.

Inventories {Vide 3.b: Audit Qualifications}:

The Company is planning to put up a slag recovery plant. This will enable recover the metal from slag and hence the value of stocks would not be eroded as pointed out by the auditors.

Raw Material amounting to ₹1,705.78: The major Raw Material of the Company is Steel Scrap and as such the same has been valued at cost or market value w.e is lower.

Details of Related Party Transactions: {vide 3.c: Audit Qualifications}:

The Company has provided all information relating to Related Party Transactions. All the related Party Transactions have been made at arm's length basis.

Physical verification or valuation of inventories {vide 3.d: Audit Qualifications}:

The factory is under possession of Kotak Mahindra Bank Ltd, which do not allow physical verification.

Insurance {vide 3.e: Audit Qualifications}:

The Company has filed a consumer case for insurance claim before the NCDRC (National Consumer Dispute Redressal Commission) in the year 2014. The case is pending for final hearing.

Confirmations {vide 3.f: Audit Qualifications}:

The Company has given balance confirmations from the parties having substantial claim.

Sufficient documents {vide 3.g: Audit Qualifications}:

The Company is in process of getting documentary evidences with respect to contingent liabilities wherever pending.

Disputed Liabilities {vide 3.h: Audit Qualifications}:

It is not practicable for the Company to estimate the timings of cash outflows, if any, in respect of the various pending disputed statutory liabilities/ liabilities on account of lawsuits as the same are determinable only on receipt of judgments/decisions pending with various forums/authorities.

Most of the issues of litigation pertaining to Central Excise/Sales Tax/Customs are based on interpretation of the respective Law & Rules thereunder.

The Management believes that many of the issues raised by revenue will not be sustainable in law as they are covered by judgments of respective judicial authorities.

Fair Value {vide 3.i: Audit Qualifications}:

The company has not assessed the Fair Value of various Assets and Liabilities as per the requirement of Ind AS 103 "Fair Value Measurement".

Impairment of tangible Assets {vide 3.j: Audit Qualifications}:

The company has not reviewed the impairment of its tangible assets and other financial and nonfinancial assets as of March 31, 2025. Hence, no provision in the books of account has been made by the Company. The management believes that the Company will succeed to get Insurance Claims & MSIEDCL claims as per the order of the apt

authorities.

Internal Audit System {vide 3.k: Audit Qualifications}:

The Company has appointed internal auditor during the FY 2024-25.

Records Related to Foreign Branch {vide 3.l: Audit Qualifications}:

The Foreign Branch (Singapore Branch) of the Company has no Assets & liabilities and the registration of the Branch has been ceased.

MANAGEMENT DISCUSSION AND ANALYSIS

Management discussion & analysis Report provides a perspective of the management on the external environment and steel industry, operating and financial performance, material developments in human resources and industrial relations, risks and opportunities and internal control systems and their adequacy in the Company during the FY 2024-25.

The Report should be read along with the Company's financial statements, the schedules and notes thereto and other information provided in the Annual Report. The Company's financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") complying with the requirements of the Companies Act, 2013, as amended and regulations issued by the Securities and Exchange Board of India ('SEBI') from time to time.

Management Discussion and Analysis Report for the year under review, as per regulation 34 (2) of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 is as follows:

External Environment, Global / Indian Economy & Steel Industry:

The global economy is experiencing uneven recovery post-pandemic, with major economies like the US showing moderate growth, while Europe faces stagnation due to geopolitical tensions and energy costs. Russia-Ukraine, Middle East conflicts are disrupting global trade routes and commodity flows, particularly affecting energy and metal prices. Central banks are cautiously cutting rates after aggressive hikes in 2022–23. Inflation is cooling but remains above long-term targets in some regions. China's slow economic recovery, weaker real estate sector and reduced industrial demand are affecting global commodity markets, especially steel.

India remains one of the fastest-growing major economies (~6.5–7% GDP growth) expected in 2025, driven by consumption, infrastructure, and manufacturing. Government-led infrastructure spending on roads, railways, ports etc., and the Production Linked Incentive schemes are pushing industrial growth. Controlled inflation (~4–5%), stable currency, and strong forex reserves are keeping investor confidence high. Focus on renewable energy, electric vehicles and clean tech offers new demand vectors for materials including steel.

Global steel demand is relatively flat due to lower consumption in China and a slowdown in real estate/construction in many developed economies. China's over production remains a concern, often leading to export dumping in global markets. A major theme, especially in Europe and Japan — de carbonization through hydrogen-based production, electric arc furnaces (EAFs) and scrap recycling.

India is the 2nd largest producer of steel globally and is also among the few countries with strong steel demand growth. The key drivers are among others Government projects (Bharatmala, Sagarmala, Smart Cities), Urbanization and real estate growth, Auto, railways, defense, and renewable sectors etc. Major players in the industry are investing heavily in expanding capacity and modernizing plants. The challenges are Raw material availability (coking coal dependency on imports), Environmental norms and pressure to decarbonize. Industry consolidation continues in the West to optimize operations and transition to greener processes.

Industry Structure and Developments:

The Company was engaged in the manufacturing of Bright Bars, Wire Rods, Bars and Billets in various sizes at its manufacturing facility located at Zenith Compound, Khopoli, Raigad – 410203. However, the Company's operations were severely impacted due to a combination of adverse factors, including non-availability of working capital, debt burden, negligible capacity utilization, disruptions caused by the COVID-19 pandemic.

As a result of continued financial stress, Kotak Mahindra Bank Limited initiated recovery proceedings and took physical possession of the Company's assets and factory premises. Consequently, all manufacturing and job work operations were halted.

The Company has been actively put its efforts to resolve its financial challenges, including ongoing discussions with workers' unions,

lenders, potential investors, and suppliers aimed at reviving operations. Despite these efforts, no tangible progress has been achieved.

Efforts are also underway to repay the outstanding debts owed to Kotak Mahindra Bank Limited. Accordingly, a one-time settlement has been reached, and a portion of the dues was repaid by the end of the financial year. The remaining balance is expected to be cleared soon.

Given the prevailing circumstances, the Company is shifting its strategic focus from steel manufacturing to real estate business activities, with an aim to explore more viable and sustainable growth opportunities.

Opportunities and threats:

The Company operates in an interconnected world characterized by stringent regulatory and environmental requirements, heightened geopolitical risks, and rapid technological disruptions.

Opportunities:

-Infrastructure Growth: Government-driven initiatives like PM Gati Shakti, Smart Cities, Bharatmala, and Sagarmala are creating sustained demand for steel in roads, railways, ports, and logistics infrastructure.

-Automotive and EV Sector: Rising demand for passenger and commercial vehicles, especially electric vehicles (EVs), is increasing the need for high-strength, lightweight, and specialty steel.

-Real Estate & Urbanization: Rapid urbanization in India, is fueling demand for construction-grade steel in housing, commercial, and industrial infrastructure.

-Export Potential: India's growing competitiveness in steel production costs and quality opens doors for exports, especially to Southeast Asia, the Middle East, and Africa.

Threats:

-Global Steel Overcapacity: Countries like China and Vietnam often create global overcapacity, leading to dumping and price suppression in international and domestic markets.

-Environmental Regulations & Carbon Costs: Stricter emission norms and potential carbon border taxes (like CBAM in the EU) could affect exports and profitability for high-emission steel producers.

-High Capital Intensity & Long Gestation: Steel plants are capital- and time-intensive, making it harder for smaller players to stay competitive or pivot quickly.

-Technological Obsolescence: Rapid advancements in green technology could render older blast furnace setups inefficient and environmentally non-compliant.

-Price Volatility: Steel prices are highly cyclical and influenced by macroeconomic factors. This unpredictability affects working capital and long-term planning.

-Labor & Industrial Relations: labor issues, union disputes, or regulatory hurdles can delay expansions or impact operations.

Segment-wise / Product-wise performance:

The company has single business segment viz. Manufacturing & Trading of Stainless Steel & Allied Products and hence segment wise results have not been given. Further the manufacturing activities, job work activities have been stopped.

For the reasons and facts as stated above in "Industrial Structure & development" para, the company has nothing more to report under this head.

**Outlook:**

In view of what has been stated in foregoing paragraphs, your Management perceives that the outlook of the Steel Industry in the subsequent financial years may improve subject to the effective and positive steps upon availing of finance and addressing issues that stuck the Company's working profitably. However, for the reasons and facts as stated above in "Industrial Structure & development" para, the company has nothing more to report under this head.

Risks & Concerns:

It is essential to correctly assess the risk so that the same can be mitigated before it becomes a possible threat. General risks, as are associated with statutory compliances, economy, financials, Government policies, market related, operational, products, safety and technology etc., The company is not immune from these risks. Normally the Board reviews of likely risk areas with the objective to define a framework for identification, evaluation and mitigating the risk in the decision-making process.

However, in view of the reasons and facts as stated above in "Industrial Structure & development" para, the company has nothing more to report under this head.

Internal Control System and its Adequacy:

The Company has proper and adequate system of internal controls commensurate with its size and nature of operations to provide reasonable assurance that all assets are safeguarded, transactions are authorized, recorded and reported properly and applicable statutes are duly complied with.

The Company has constituted an Audit Committee to monitor the adequacy and efficacy of internal control systems.

The adequacy of these compliances and their effectiveness is subject to statutory audit and the same has been reported by the Auditors in their report as required under the relevant provisions of the Companies Act, 2013. The Company also has an Internal Audit System.

Discussions on financial performance with reference to operational Performance:

During the Financial Year ended March 31, 2025, the Company did not carry out any manufacturing activities, as such operations have been discontinued. Consequently, the Company did not record any operational financial performance during the year. The Company's revenue from operations stood at Rs. 0.75 Lacs (Previous Year: Rs. 81.60 Lacs), and other income also stood at Rs. 112.00 Lacs (Previous Year: Rs. 644.42 Lacs), resulting in a total income of Rs. 112.75 Lacs (Previous Year: Rs. 726.02 Lacs).

The Company incurred a post-tax net loss of Rs. 1,339.35 Lacs during the year under review, as compared to a net loss of Rs. 1,162.47 Lacs in the previous financial year.

The manufacturing operations of the Company remain suspended, and there were no significant business activities during the financial year under review.

Material Developments in HRD and industrial Relations Front:

The Company recognizes its employees as valuable assets. Developing, motivating, and retaining talented personnel remains a key responsibility and an integral part of the Company's policy.

In light of the current situation, with no business activities and nil operations during the year, the Company's workforce has been considerably reduced. As on March 31, 2025, the Company had approximately 4 permanent employees on its rolls, serving at various organizational levels.

(ii) Vigil Mechanism

The Company has been formulated Whistle Blower Policy to establish a Vigil Mechanism for directors and employees of the Company. This Policy covers misuse or abuse of authority, fraud or suspected fraud, violation of company rules, manipulations, negligence causing danger to public health and safety, misappropriation of monies and other matters or activity on account of which the interest of the Company is affected and formally reported by whistle blowers. The vigil mechanism provides a channel to the employees and directors to report to the management concerns about unethical behavior, actual or suspected fraud or violation of the Code of Conduct or policy. The mechanism provides for adequate safeguards against victimization of employees and directors to avail of the mechanism and also provide for direct access to the Chairperson of the Audit Committee in exceptional cases. This policy, however, neither releases employees from their duty of confidentiality in the course of their work nor can it be used as a route for raising malicious or unfounded allegations against people in authority and/ or colleagues in general. It is affirmed that no personnel have been denied access to the Audit Committee. The Whistle Blower Policy of the Company has been uploaded and can be viewed on the Company's website, www.indiasteel.in at investors relations section. Dear Sirs,

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate governance practice by M/s. India Steel Works Limited (hereinafter called "the Company").

Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's Books, Papers, Minutes Books, Forms and Returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the financial year ended 31st March, 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company, for the financial year ended on 31st March, 2025, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Regulations, 1999, and The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 notified on 28th October 2014(not applicable to the Company during the Audit period);
 - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (not applicable to the Company during the Audit period);
 - f. The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client,

- g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (not applicable to the Company during the Audit period), and;
 - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (not applicable to the Company during the Audit period)
- (vi) For the other applicable laws, our Audit was limited to
- a. The Factories Act, 1948
 - b. The Minimum Wages Act, 1948
 - c. The employees Provident Funds and Misc. Provisions Act, 1952
 - d. The payment of Bonus Act, 1965
 - e. The payment of gratuity Act, 1972
 - f. The Contract labour (Regulation and Abolition) Act, 1952
 - g. The Industrial Employment (Standing Orders) Act, 1946
 - h. The Employees Compensation Act, 1923
 - i. The Apprentices Act, 1923
 - j. The Air (Prevention and control of pollution) Act, 1981

I have relied on the representation made by the Company, its Officers and authorized representatives during the conduct of the audit, and also on the review of Certificates by respective department Heads/ Company Secretary/ CFO.

In my opinion, adequate systems and process and control mechanism exists in the Company to monitor and ensure compliances under other applicable Acts, Laws and Regulations to the Company.

I further report that,

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of INDIA STEEL WORKS LIMITED

Report on the Audit of Financial Results

Adverse Opinion

We have audited the financial statements of **INDIA STEEL WORKS LIMITED** (Hereinafter referred to as company), which comprise the balance sheet as at 31st March 2025, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and does not give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31st March 2025, of its profit and other comprehensive income, changes in equity and cash flows for the year then ended.

Going Concern

The Company's current liabilities exceeded its current assets as of the previous year balance sheet date. Operations of the company has ceased since long and the company is not in the position to discharge its liabilities. These events or conditions, along with other matters indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, the books of the company are still prepared on historical cost basis. In our opinion the accounts of the company should not be prepared on going concern basis i.e., the assets and liabilities of the company should be stated at net realizable value. The financial statements do not adequately disclose this fact. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

Basis for Adverse Opinion

- a. We have been informed that during the period, Kotak Mahindra Bank Limited has taken the possession of the factory premises of the company situated at Zenith Compound, Village Vihari, Kahalapur District, Raigad. The primary software used for bookkeeping, namely SAP, was not accessible due to the above. The company has prepared the books of accounts in different software taking the balances of earlier year's audited financials. We were provided with alternative sources and backup books of accounts to facilitate our audit procedures. Our conclusion is based on the information contained in the backup books that were made available to us. Due to the limited availability of sufficient and appropriate evidence, we are unable to definitively verify or comment on the accessibility of the books of accounts stored on SAP and their potential impact on the financial statements. Consequently, considering this limitation, we have conducted the audit using alternative procedures to the extent feasible.
- b. Inventories amounting to ₹13,534.32 Lakhs have not been valued at lower of cost or Net realisable value which is against the significant accounting policies of the company and is not consistent with Ind AS 2 "Inventories". These inventories held by the company include obsolete and non-moving stock which are valued at cost and is inconsistent with provisions of Ind AS 2. As per the information and documents provided to us, we are of the opinion that work-in-progress amounting to ₹10,608.94 Lakhs and Raw Material amounting to ₹1,705.78 Lakhs held by the company can only fetch scrap value. In the absence of quantitative information and supporting documents of Finished Goods, Stock in Trade and Stores and Spares amounting to ₹1,219.60 lakhs, we are unable to comment on carrying value of the same and its effect on the financial statements for the year. Accordingly, we believe that the Net-worth of the company is overstated by the said amount.
- c. The Company has not provided us with the requisite information and details relating to transactions with related parties as required under Indian Accounting Standard (Ind AS) 24 – Related Party Disclosures. In the absence of such information, we were unable to obtain sufficient appropriate audit evidence to determine whether the Company has appropriately identified, disclosed, and accounted for related party transactions in accordance with Ind AS 24. Accordingly, we are unable to comment on whether such transactions, if any, were conducted at arm's length and their possible effects on the financial statements of the Company for the year ended
- d. Company has not done physical verification or valuation of inventories. On account of the same we are unable to comment on the physical status and/ or recoverable value of such inventories.

- e. The company has shown insurance claim receivable amounting to ₹1,997.69 Lakhs. The said claim has been outstanding since long back and the same has not been approved by appropriate authority till date. In conclusion, showing the said insurance claim as receivable is not showing true and fair view. On account of the same assets of the company are overstated by ₹1,997.69 Lakhs.
- f. Confirmations of the balances of sundry creditors and debtors, loans and advances, Advances given to suppliers and advances received from customers have not been obtained and they are subject to reconciliations and subsequent adjustments if any. As such we are unable to express any conclusion as to the effect on the financial statements for the year.
- g. Sufficient and appropriate documentary audit evidence in respect of Contingent liabilities was not provided to us. As such we are unable to draw any conclusion as to the effect on the financial statements for the year.
- h. The company has not assessed the impact of various disputed statutory liabilities/ liabilities on account of lawsuits as per the requirement of Ind AS 37 "Provision, Contingent Liabilities, Contingent Asset" and hence the effect of the same, if any, on the financial results. The cases are pending with multiple tax authorities and the said claims have not been acknowledged as debt by the company. Income booked on account of certain lawsuits/ disputes are not as per the order passed. Accordingly, we are unable to comment on the effect of the same.
- i. The company has not assessed the Fair Value of various Assets and Liabilities as per the requirement of Ind AS 103 "Fair Value Measurement", the effect of the same, if any, on the financial results is not identifiable. Therefore, we are unable to comment on its impact on the financial results for the year ended March 31, 2025.
- j. The company has not reviewed the impairment of its tangible assets and other financial and non-financial assets as of March 31, 2025. Hence, no provision in the books of account has been made by the Company. In the absence of assessment of impairment/ provisions by the Company, we are unable to comment on the recoverable amount regarding said items.
- k. The company does not have an internal audit system to commensurate with the size and nature of its business. In absence of the same we are unable to comment whether an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2025.
- l. The statement of proper records maintained in India related to Foreign Branch, the Financial Statement of Foreign Branch is not audited by us. Our conclusion is based on unaudited figures provided by the management.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. During the year under consideration, we do not have any key audit matters to report.

Emphasis of Matter

- a. In absence of information of investee company, we are unable to determine the value of the investments hence the same are carried at cost and no provision for diminution, if any in value of such investments in made.
- b. The company does not have internal audit system to commensurate with the size and nature of its business. In absence of the same we are unable to comment whether an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2025.
- c. In absence of proper records maintained in India related to Foreign Branch, the Financial Statement of Foreign Branch is not audited by us. Our opinion is based on unaudited figures provided by the management.
- d. In the absence of uncertainties of making profit in immediate future the company has decided not to create Asset/ Liability on account of Deferred Tax.
- e. Fire Insurance Policy of the company is pending renewal as on the date. The risk on account of the same is not ascertainable.
- f. Assessment of the Impairment of Assets has not been done by the company, which is inconsistent with Ind AS-36 "Impairment of Assets".

**Other Information**

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Financial Results

These Financial Results have been prepared on the basis of the annual financial statements. The Company's Board of Directors are responsible for the preparation and presentation of these Financial Results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Company and the balance sheet and the statement of cash flows in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52 of the Listing Regulations. The Board of Directors of the Company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Financial Results by the Directors of the Company, as aforesaid.

In preparing the Financial Results, the Board of Directors of the Company are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the Company are responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- d. Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
- e. Evaluate the overall presentation, structure and content of the Financial Results including the disclosures, and whether the Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- f. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 10(f) of the Independent Auditors' Report of even date to the members INDIA STEEL WORKS LIMITED on the financial statements for the year ended March 31, 2025

Report on the internal financial controls under clause(i) of sub-section 3 of section 143 of the Act

We have audited the internal financial controls over financial reporting **INDIA STEEL WORKS LIMITED** ('the Company') as of March 31, 2025, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company.
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent limitations of internal financial controls over financial reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and as mentioned in Basis of Adverse Opinion and emphasis of matter paragraph, the Company does not have, in all material respects, an adequate internal financial controls system over financial reporting as of March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Notes to Financial Statement as on March 31, 2025****1 CORPORATE INFORMATION**

India Steel Works Limited is a public limited incorporated and domiciled in India, under the Indian Companies Act, 1956. Its Equity shares are listed on BSE Limited. Its registered office is situated at India Steel Works Complex, Zenith Compound, Khopoli, Raigad 410 203, Maharashtra, India.

The Company is engaged in manufacturing and trading of steel products like hot rolled, bars and rods, bright bars, etc.

2 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the Significant Accounting Policies adopted in the preparation of these Financial Statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 BASIS FOR PREPARATION OF ACCOUNTS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified under the Companies (Indian Accounting standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendments Rules 2016 prescribed under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rule, 2015 as amended time to time.

The financial statements are prepared and presented on accrual basis and under the historical cost convention, except for the following material items that have been measured at fair value as required by the relevant Ind AS:

- Certain financial assets and liabilities are measured at Fair value (refer accounting policy on financial instruments - Refer note 2.8 below)
- Defined Benefit and other Long-term Employee Benefits - Refer note 2.11 below
- Derivative Financial instruments – Refer note 2.8 below

These standalone financial statements are approved for issue by the Company's Board of Directors on May 21, 2025.

2.2 KEY ACCOUNTING ESTIMATES AND JUDGMENTS

In preparation of the financial statements, the Company makes judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Significant judgements and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant and equipment and intangible assets, impairment of property, plant and equipment, intangible assets and investments, impairment of trade receivables, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

2.3 REVENUE RECOGNITION**a) Sale of Goods**

Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

The Company does not adjust short-term advances received from the customer for the effects of significant financing component if it is expected at the contract inception that the promised good or service will be transferred to the customer.

Notes to Financial Statement

b) Rendering of services

Revenue of services are recognized when the performance of agreed contractual obligation has been completed.

c) Dividend

Dividend income from investments is recognised when the shareholder's rights to receive payment have been established.

d) Interest Income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.

e) Insurance Claims

Insurance claims are accounted on acceptance of the claim and when it can be measured reasonably, and it is reasonable to expect the ultimate collection. The Shortfall in respect of final claim shall be accounted in the profit and loss account as an when finally settled.

2.4 FOREIGN CURRENCY TRANSACTIONS

a) Functional and Presentation Currency

The financial statements are presented in Indian Rupee (INR), which is company's functional and presentation currency.

b) Initial Recognition

Transactions in foreign currencies are recorded at the exchange rate prevailing on the dates of the transactions. Exchange difference arising on foreign exchange transaction settled during the year are recognized in the Statement of profit and loss of the year.

c) Measurement of foreign currency items at the Balance sheet date

Monetary assets and liabilities denominated in foreign currencies are re-translated into functional currency at the exchange rate prevailing at the end of the reporting period. Non monetary assets and liabilities that are measured based on a historical cost in a foreign currency are not re-translated. Exchange differences arising out of these transaction are charged to the profit and loss.

2.5 PROPERTY, PLANT AND EQUIPMENTS AND INTANGIBLE ASSETS

a) Property, plant and equipment (PPE)

i) Recognition and measurement

Freehold land is carried at cost. All other items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenses directly attributable to the acquisition of the assets. The cost of an item of a PPE comprises its purchase price including import duty, and other non-refundable taxes or levies and any directly attributable cost of bringing the assets to its working condition of its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

ii) Subsequent expenditure

Expenditure incurred on substantial expansion upto the date of commencement of commercial production are capitalised. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

b) Capital Work-In-Progress And Pre-Operative Expenses During Construction Period

Capital work-in progress includes expenditure directly related to construction and incidental thereto. The same is transferred or allocated to respective Property, Plant and Equipment on their completion / commencement of commercial production.

Notes to Financial Statement

c) Intangible assets

Intangible assets are held on the balance sheet at cost less accumulated amortisation and impairment loss if any.

2.6 IMPAIRMENT OF NON-FINANCIAL ASSETS

The Company's non-financial assets other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is an indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a discount rate that reflects current market assessments of time value of money and the risks specific to the CGU.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment losses recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amount of the other assets of the CGU on a pro rata basis.

An impairment loss in respect of assets for which impairment loss has been recognized in prior periods, the Company reviews at reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

2.7 DEPRECIATION AND AMORTISATION

Depreciation is provided on the Straight Line Method (SLM) applying the useful lives as prescribed in part C of Schedule II to the Companies Act, 2013.

Useful lives of the items of Property, Plant and Equipment are as follows:

Asset	Estimated Useful Life
Building	30 Years
Plant & Machinery	20 Years
Furniture and Fixtures	10 Years
Vehicles	8 Years
Other equipment	5 Years

Intangible Assets are amortized over their individual estimated useful lives on a Straight Line basis, commencing from the year in which the same are available to the Company for its intended use. The useful life so determined is as follows:

Asset	Amortisation period
Software Licenses	5 years
Product Licenses	5 years
Usage Rights	5 years

The Management believes that the useful life as given above best represent the period over which the management expect to use these assets. The Company reviews the useful lives and residual value at each reporting date. Depreciation on assets added/sold or discarded during the year is being provided on pro-rata basis up to the date on which such assets are added/sold or discarded. Depreciation is not provided on Freehold Land. Gain/Losses on disposals/de-recognition of property, plant and equipment are determined by comparing proceeds with carrying amount and these are recognized in statement of profit and loss.

Notes to Financial Statement

2.8 FINANCIAL INSTRUMENTS

I. Financial Assets

a) Classification of financial assets

The Company classifies financial assets as subsequently measures at amortised cost, fair value through other comprehensive income or fair value through profit & loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

i) Debt instrument at amortised cost:

"A 'debt Instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objectives is to hold assets for collecting contractual cash flow and

- Contractual terms of the asset give rise on specified dates to cash flow that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or cost that are an integral part of the EIR. The EIR. Amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. The category generally applies to trade and other receivable.

ii) Debt instrument at fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flow and selling the financial assets, where the assets' cash flow represents solely payments of principal and interest are measuring at FVOCI, movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue or foreign exchange gains and losses which are recognised in profit and loss. When the financial assets is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income suing the EIR method. The company does not have any instruments classified as fair value through other comprehensive income (FVOCI).

iii) Debt instrument measured at fair through profit and loss (FVTPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt instrument that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/ (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

iv) Equity investments:

Investment in associates are accounted using equity method.

All other equity investments which are in scope of Ind-AS 109 are measured at fair value. Equity instrument which are held for trading are classified as at FVTPL. For all other equity investments, the Company decide to classify the same either as at fair value through other comprehensive income (FVOCI) or FVTPL. The company makes such election on an instrument-by- instrument basis. The classification is made on initial recognition and is irrevocable.

For equity investments classified as FVOCI, all fair value changes on the instruments, excluding dividend, are recognized in other comprehensive income (OCI). There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of such investment.

Equity investments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss.

Notes to Financial Statement

Costs of certain unquoted equity instruments has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fair value within that range.

The company does not have any equity investments designated at FVOCI or FVTPL

b) Initial recognition and measurement

All financial assets are recognised initially at fair value and for those instruments that are not subsequently measured at FVTPL, plus/minus transaction cost that are attributable to the acquisition of the financial assets.

Trade receivable are carried at original invoice price as the sales arrangements do not contain any significant financial component. Purchase or sales of financial assets that required delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the assets.

c) Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) primarily derecognised (i.e. removed from the company's balance sheet) when :

- The rights to receive cash flows from the asset have expired, or
- The Company has neither transferred nor retained substantially all the risks and rewards all the assets, but has transferred control of the assets.

When the company has transferred its rights to receive cash flow from an asset or has entered into a pass-through arrangement, it evaluates whether it has transferred substantially all the risks and rewards of ownership. In such cases, the financial asset is derecognised. When it has neither transferred nor retained substantially all of the risks and rewards of the assets, nor transferred control of the assets, the Company continues to recognise the transferred asset to the extent of the company's continuing involvement. In the case, the company recognises and associated liability. The transferred asset and the associated liability are measured on a basis that reflect the rights and obligations that the company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and maximum amount of consideration that the company could be required to repay.

d) Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on following financial assets and credit risk exposure:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loan, debt security, deposits, and bank balance.
- Trade Receivables"

The company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component.

The application simplified approach does not require the company to track change in risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivable. The provision matrix based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, historically observed default rate updated and change in the forward looking estimates are analysed.

II. Financial Liabilities and equity instruments

Debt and equity instruments issued by an entity are classified as either financial liability or as equity in accordance with substance of the contractual arrangements and the definition of a financial liability and an equity instrument.

Notes to Financial Statement

a) Equity instruments:

An equity instruments is any contract the evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by an entity are recognised at the proceeds received, net of direct issue costs.

An equity instruments is any contract the evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by an entity are recognised at the proceeds received, net of direct issue costs.

b) Financial liabilities :- Classification

Financial liabilities are classified as either's at FVTPL' or' other financial liabilities consists of derivative financial instruments, wherein the gain/losses arising from remeasurement of these Instruments of recognized in the statements of profit and loss. Other financial liability (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

c) Initial recognition and measurement:

All financial liability are recognised initially at fair value and for those instruments that are not Subsequently measured at FVTPL, plus/minus transaction cost that are attributable to issue of these instruments.

d) Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires .When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of the new liability. The difference in the respective carrying amounts is recognised in the statement of Profit and Loss.

III. Fair Value

The Company determines the fair value of its financial instruments on the basis of the following hierarchy

- a) Level 1 : The fair value of financial instruments quoted in active markets is based on their quoted closing price at the balance sheet date. Examples include exchange traded commodity derivatives and other financial instruments in equity and debt securities which are listed in a recognised stock exchange
- b) Level 2 : The fair value of financial instruments that are not traded in active markets is determined by using valuation techniques using observable market data. Such valuations techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions. For example, the fair value of forward exchange contracts, currency swaps and interest rate swaps is determined by discounting estimated future cash flows using a risk-free interest rate
- c) Level 3 : The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs)

IV. Accounting for day 1 differences

If the fair value of the financial asset or financial liability at initial recognition differs from the transaction price, this if it is not consideration for goods or services or a deemed capital contribution or deemed distribution, is accounted as follows :

- i) If the fair value is evidence by a quoted price in an active market for an identical asset or liability (ie Level 1 input) or based on a valuation technique that uses data from observable market, the entire day 1 gain/loss is recorded immediately in the statement of profit and loss; or
- i) in all other cases, the difference between the fair value at initial recognition and transaction price is deferred. After initial recognition, the deferred difference is recorded as gain or loss in the statement profit and loss only to the extent that is arises from a change in a factor (including time) that market participants would take into account when pricing the asset or liability.

In case difference represents :

- i) deemed capital contribution - it is recorded as investment in subsidiary
- ii) deemed distribution - It is recorded in equity

Notes to Financial Statement

- iii) deemed consideration for goods and services - it is recorded as an asset or liability. This amount is amortised / accredited to the statement of profit and loss as per the substance of the arrangement (generally straight line basis over the duration of the arrangement)

2.9 INVENTORIES

Inventories are stated at the lower of cost and net realizable value.

Cost of Raw Material is determined on a First In First Out (FIFO) basis.

Stores and Consumables are valued at cost or net realizable value (NRV) whichever is lower.

Waste/ Scrap inventory is valued at Net Realisable Value (NRV).

NRV is estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale.

Finished goods are valued at cost or net realizable value whichever is lower. Cost comprises direct materials and where applicable, direct labour costs, those overheads but excluding borrowing cost that have been incurred in bringing the inventories to their present location and condition. Cost is arrived on weighted average cost basis.

Work in Progress is valued at cost or net realizable value whichever is less. Cost comprises direct materials and appropriate portion of direct labour costs, manufacturing overheads but excluding borrowing cost that have been incurred in bringing the inventories to their present location and condition.

Residual products which earlier were considered as inventories have been transferred to non-current assets. They are not expected to be realized in ordinary course of business and hence are not classified as ordinary inventory. These products are regularly reviewed for impairment if any.

Non Moving Inventory are stated at the cost or market value whichever is lower.

2.10 BORROWING COSTS

Borrowing Costs that are interest and other costs that the company incurs in connection with the borrowings of funds and is measured with reference to the effective interest rate applicable to the respective borrowing. Borrowing costs include interest cost measured at EIR and exchange difference arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing Costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets, wherever applicable, till the assets are ready for their intended use. Such capitalisation is done only when it is probable that the asset will result in future economic benefits and the costs can be measured reliably. Capitalisation of borrowing cost is suspended and charged to statement when active development is interrupted.

Capitalisation of borrowing costs commences when all the following conditions are satisfied:

- i. Expenditure for the acquisition, construction or production of a qualifying asset is being incurred;
- ii. Borrowing costs are being incurred; and
- iii. Activities that are necessary to prepare the asset for its intended use are in progress.

A qualifying asset is one which necessarily takes substantial period to get ready for intended use. All other borrowing costs are charged to revenue account.

2.11 EMPLOYEE BENEFITS

a) Short term employee benefit obligations

Liabilities for wages, salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related services are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are to be settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

b) Other long term employee benefit obligations

i) Compensated absences

The liabilities for earned leave is not expected to be settled wholly within 12 months after the end of the period in which employees render the related service. They are therefore measured as the present value of expected

Notes to Financial Statement

future payments to be made in respect of services provided by employees up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yield at the end of reporting period that have terms approximating to the terms of related obligation. Remeasurement as a result of experience adjustments and changes in actuarial assumptions are recognised in the other comprehensive income.

The obligations are presented as current liabilities in the balance sheet if the Company does not have unconditional right to defer settlement for at least 12 months after the reporting period, regardless of when the actual settlement is expected to occur.

c) Post-employment obligations

The Company operates the following post-employment schemes:

- A. Defined benefit plans such as Gratuity
- B. Defined contribution plan such as Provident Fund

Defined Benefit Plans

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligations is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expenses in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in present value of the defined benefit obligation resulting from plan amendment or curtailments are recognised immediately in profit or loss as past service cost.

Defined Contribution Plans

The Company pays provident fund contributions to publicly administered funds as per the local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expenses when they are due.

2.12 ACCOUNTING FOR TAXES ON INCOME

a) Income Taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in Deferred Tax Assets and Liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period i.e. as per the provisions of the Income Tax Act, 1961, as amended from time to time. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on the rates and tax laws enacted or substantively enacted, at the reporting date in the country where the Company operates and generates taxable income. Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Notes to Financial Statement

Current tax assets and liabilities are offset only if, the Company :

- i) has legally enforceable right to set off the recognised amounts; and
- ii) Intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

b) Deferred Taxes

Deferred tax is recognised in respect of temporary differences between the carrying amounts of the assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purpose.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences only if it is probable that future taxable profits will be available against which they can be used. Accordingly, in the absence of certainty of sufficient future taxable income, net deferred tax asset has not been recognised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefits will be realised; such reductions are reversed when the probability of future taxable profits improves.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantially enacted at the reporting date.

Deferred Tax Assets and Liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and Deferred Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Any tax credit including MAT credit available is recognised as Deferred Tax to the extent that it is probable that future taxable profit will be available against which the unused tax credits can be utilised. The said asset is created by way of credit to the Statement of Profit and Loss and shown under the head deferred tax asset.

The carrying amount of Deferred Tax Assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the Deferred Tax Asset to be utilised. Unrecognised Deferred Tax Assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are offset only if, the Company :

- i) has legally enforceable right to set off the recognised amounts; and
- ii) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

2.13 PROVISIONS AND CONTINGENT LIABILITIES

a) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Notes to Financial Statement

b) Contingent Liability

Contingent liabilities are not provided for and if material, are disclosed by way of notes to accounts. Contingent Liability is disclosed in the case of:

- i. A present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- ii. A present obligation arising from the past events, when no reliable estimate is possible;
- iii. A possible obligation arising from the past events, unless the probability of outflow of resources is remote.

2.14 EARNING PER SHARE

Basic Earnings Per Share

Basic Earnings Per Share is calculated by dividing the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the company's earnings per share is the net profit for the period after deducting preference dividends, if any, and any attributable distribution tax thereto for the period.

2.15 CASH AND CASH EQUIVALENTS

Cash and Cash Equivalents comprise cash and deposits with banks. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known of cash to be cash equivalents.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions and other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.16 STATEMENT OF CASH FLOWS

Cash Flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing Cash Flows. The cash flows from operating, investing and financing activities of the Company are segregated.

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments net of bank overdrafts which are repayable on demand as these form an integral part of the Company's cash management.

2.17 DIVIDEND

The Company recognises a liability for dividends to equity holders of the Company when the dividend is authorised and the dividend is no longer at the discretion of the Company. As per the corporate laws in India, a dividend is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

2.18 ROUNDING OFF

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs, unless otherwise stated.

2.19 EVENTS OCCURRING AFTER THE REPORTING DATE

Adjusting events (that provides evidence of condition that existed at the balance sheet date) occurring after the balance sheet date are recognized in the financial statements. Material non adjusting events (that are inductive of conditions that arose subsequent to the balance sheet date) occurring after the balance sheet date that represents material change and commitment affecting the financial position are disclosed in the Directors' Report.

2.20 EXCEPTIONAL ITEMS

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

Notes to Financial Statement

2.21 OPERATING CYCLE

All assets and liabilities have been classified as current or non-current as per each Company's normal operating cycle and other criteria set out in the Schedule III to the Act

2.22 SEGMENT REPORTING

The company has single business segment viz. Manufacturing & Trading of Stainless Steel & Allied Products, therefore in the context of Ind AS 108 disclosure of segment is not applicable.

2.23 LEASES

At the inception it is assessed, whether a contract is a lease or contains a lease. A contract is a lease or contains a lease if it conveys the right to control the use of an identified asset, for a period of time, in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, company assesses whether the contract involves the use of an identified asset. Use may be specified explicitly or implicitly.

- Use should be physically distinct or represent substantially all of the capacity of a physically distinct asset.
- If the supplier has a substantive substitution right, then the asset is not identified.
- Company has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use
- Company has the right to direct the use of the asset.
- In cases where the usage of the asset is predetermined the right to direct the use of the asset is determined when the company has the right to use the asset or the company designed the asset in a way that predetermines how and for what purpose it will be used.
- At the commencement or modification of a contract, that contains a lease component, company allocates the consideration in the contract, to each lease component, on the basis of its relative standalone prices. For leases of property, it is elected not to separate nonlease components and account for the lease and non-lease components as a single lease component.

a) Company as a Lessee

Company recognizes a right-of-use asset and a lease liability at the lease commencement date.

Right-of-use asset (ROU):

The right-of-use asset is initially measured at cost. Cost comprises of the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, any initial direct costs incurred by the lessee, an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located less any lease incentives received

Right-of-use asset is depreciated using straightline method from the commencement date to the end of the lease term. If the lease transfers the ownership of the underlying asset to the company at the end of the lease term or the cost of the right-of-use asset reflects company will exercise the purchase option, ROU will be depreciated over the useful life of the underlying asset, which is determined based on the same basis as property, plant and equipment.

Lease liability:

Lease liability is initially measured at the present value of lease payments that are not paid at the commencement date. Discounting is done using the implicit interest rate in the lease, if that rate cannot be readily determined, then using company's incremental borrowing rate. Incremental borrowing rate is determined based on entity's borrowing rate adjusted for terms of the lease and type of the asset leased.

Lease payments included in the measurement of the lease liability comprises of fixed payments (including in substance fixed payments), variable lease payments that depends on an index or a rate, initially measured using the index or rate at the commencement date, amount expected to be payable under a residual value guarantee, the exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

Notes to Financial Statement

Lease liability is measured at amortised cost using the effective interest method. Lease liability is re-measured when there is a change in the lease term, a change in its assessment of whether it will exercise a purchase, extension or termination option or a revised in-substance fixed lease payment, a change in the amounts expected to be payable under a residual value guarantee and a change in future lease payments arising from change in an index or rate.

When the lease liability is re-measured corresponding adjustment is made to the carrying amount of the right-of-use asset. If the carrying amount of the right-of-use asset has been reduced to zero it will be recorded in statement of profit and loss.

Company has elected not to recognise right-of-use assets and lease liabilities for short term leases. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

b) Company as a Lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.

Leases are classified as Finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

2.24 STANDARDS ISSUED BUT NOT YET EFFECTIVE

Indian Accounting Standards:

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from 1 April, 2021.

Schedule III of the Companies Act 2013:

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021.

Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Balance Sheet:

- Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non current.
- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

Statement of profit and loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

- The Company does not expect any reimbursements in respect of the above contingent liabilities.
- Most of the issues of litigation pertaining to Central Excise/Sales Tax/Customs are based on interpretation of the respective Law & Rules thereunder. Management has been opined by its counsel that many of the issues raised by revenue will not be sustainable in law as they are covered by judgments of respective judicial authorities which supports its contention.
- The Company's pending litigation comprise of proceeding pending related to Property tax. The Management has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed as contingent liabilities where applicable, in its financial statements. The Management does not expect the outcome of these proceedings to have a materially adverse effect on its financial results.

NOTE 38: FINANCIAL RISK MANAGEMENT AND POLICIES

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the managing board. The details of different types of risk and management policy to address these risks are listed below:

(a) Market Risk:-

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings. The objective of market risk management is to avoid excessive exposure in our foreign currency revenues and costs.

(a) (i) Market Risk - Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. The company's exposure to the risk of changes in market interest rates primarily to the Company's borrowings, both short term and long term obligations with floating interest rates.

The company is also exposed to interest rate risk on its financial assets that include fixed deposits (which are part of cash and cash equivalents) since all these are generally for short durations, there is no significant interest rate risks pertaining to these deposits.

Exposure to interest rate risk

(Rs. in lakhs)

Particulars	As at March 31, 2025	As at March 31, 2024
Fixed-rate instruments		
Financial Liabilities - Borrowings	10,241.69	9,305.44
	10,241.69	9,305.44
Total	10,241.69	9,305.44

Sensitivity analysis to interest rate risk

The company doesn't account for any fixed rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

(a)(ii) Market Risk - Price Risk

The Company has no surplus for investment in debt mutual funds, deposits etc. The Company does make deposit with the banks to provide security against guarantee issued by bank to company's trade payables. Deposit is made in fixed rate instrument. In view of this it is not susceptible to market price risk, arising from changes in interest rates or market yields which may impact the return and value of the investments.

(a)(iii) Market Risk - Currency Risk

The fluctuation in foreign currency exchange rates may have a potential impact on the statement of profit and loss and equity, where any transaction references more than one currency or where assets/liabilities are denominated in a currency other than the functional currency of the Company. The company is exposed to currency risk on account of its trade payables in foreign currency. The functional currency of the company is Indian Rupees. The Company follows a natural hedge driven currency risk mitigation policy to the extent possible.

Exposure to Currency risk

The summary quantitative data about the Company's exposure to currency risk are reported to management of the company are as follows:-

EURO	-	-	-	-
Total	-25.60	25.60	-24.78	24.78

(b) Credit Risk

Credit Risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. The carrying amount of Financial Assets represents the maximum credit exposure.

Trade Receivables

The Company has established a credit policy under which each new customer is analysed individually for creditworthiness before the payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, financial statements, industry information, business intelligence and in some cases bank references.

Trade Receivables of the Company are typically unsecured, except to the extent of the security deposits received from the customers or financial guarantees provided by the market organizers in the business. Credit Risk is managed through credit approvals and periodic monitoring of the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company performs ongoing credit evaluations of its customers' financial condition and monitors the creditworthiness of its customers to which it grants credit terms in the normal course of business. The Company has no concentration of Credit Risk as the customer base is geographically distributed in India.

Expected credit loss for trade receivable:

The allowance for impairment of Trade receivables is created to the extent and as and when required, based upon the expected collectability of accounts receivables. On account of adoption of Ind AS 109, the Company uses lifetime Expected Credit Loss (ECL) model for assessing the impairment loss. For this purpose, the Company uses a provision matrix to compute the expected credit loss amount for trade receivables. Loss rates are based on actual credit loss experience and past trends. The provision matrix takes into account external and internal credit risk factors and historical experience / current facts available in relation to defaults and delays in collection thereof.

The movement of the expected loss provision (allowance for bad and doubtful loans and receivables etc.) made by the company are as under:

(Rs. in lakhs)

Particulars	As at March 31, 2025	As at March 31, 2024
Opening balance of expected loss provision	1,249.75	1,249.75
Add : Provisions made (net)	-1,249.75	-1,249.75
Less : Utilisation for impariment / de-recognition	-	-
Closing balance	-	-

Other Financial Assets

The company maintains its Cash and Cash equivalents and Bank deposits with banks having good reputation, good past track record and high quality credit rating and also reviews their credit-worthiness on an on-going basis.

Expected credit loss on financial assets other than trade receivable:

With regards to all financial assets with contractual cash flows other than trade receivable, management believes these to be high quality assets with negligible credit risk. The management believes that the parties from whom these financial assets are recoverable, have strong capacity to meet the obligations and where the risk of default is negligible and accordingly no provision for expected credit loss has been provided on such financial assets. Break up of financial assets other than trade receivables have been disclosed on balance sheet.

The Company's maximum exposure to credit risk as at 31st March, 2025 and 31st March, 2024 is the carrying value of each class of financial assets.

**Notes forming part of the financial statements****(c) Liquidity Risk**

Liquidity Risk is the risk that the Company will face in meeting its obligation associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach in managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Any short term surplus cash generated, over and above the amount required for working capital and other operational requirements is retained as Cash and Cash Equivalents (to the extent required).

Exposure to Liquidity Risk

The following table shows the maturity analysis of the Company's Financial Liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance Sheet Date.
