Notes:

The Ministry of Company affairs ("MCA") has vide its Circular Nos.14/2020, 17/2020 and 20/2020 dated April 8, 2020, April 13, 2020 and May 5, 2020, respectively, and clarification circular Nos. 02/2021 dated January 13, 2021, and 02/2024 dated May 5, 2024 and December 28, 2023 issued by the Ministry of Corporate Affairs ("MCA Circulars", the 35th AGM of the Company is being conducted through VC/OAVM Facility, which does not require the physical presence of Members at a common venue.

PURSUANT TO THE PROVISIONS OF THE ACT, A MEMBER ENTITLED TO ATTEND AND VOTE AT THE AGM IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON HIS/HER BEHALF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. SINCE THIS AGM IS BEING HELD PURSUANT TO THE MCA CIRCULARS THROUGH VC/OAVM, THE REQUIREMENT OF PHYSICAL ATTENDANCE OF MEMBERS HAS BEEN DISPENSED WITH. ACCORDINGLY, IN TERMS OF THE MCA CIRCULARS, THE FACILITY FOR APPOINTMENT OF PROXIES BY THE MEMBERS WILL NOT BE AVAILABLE FOR THIS AGM AND HENCE, THE PROXY FORM, ATTENDANCE SLIP AND ROUTE MAP OF AGM ARE NOT ANNEXED TO THIS NOTICE.

Institutional Investors, who are Members of the Company, are encouraged to attend and vote at the AGM through VC/OAVM facility. Corporate Members intending to appoint their authorized representatives to attend the AGM through VC or OAVM and to vote thereat through remote e-Voting are requested to send a certified copy of the Board Resolution to the Scrutinizer by e-mail at cs@mayankarora.co.in with a copy marked to evoting@purvashare.com and ddfl_2002@yahoo.com.

In case of joint holders attending the AGM, only such joint holder who is higher in the order of names will be entitled to vote.

The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.

Further, in terms of the MCA Circulars, the Company is sending this AGM Notice along with the Annual Report for FY 24-25 in electronic form only to those Members whose e-mail addresses are registered with the Company/Depositories. The AGM Notice is available on the website of Purva Sharegistry (India) Pvt. Ltd (RTA) <https://www.purvashare.com/> or same can be requested by email on evoting@purvashare.com or ddfl_2002@yahoo.com Further the AGM notice along with Annual report is also available at website of Holding company ie Crescent Finstock Limited at <https://www.crescentfinstock.com/resource/Shareholders-Corner/Annualreport.aspx>

As per Rule 9A, 'Issue of securities in dematerialised form by unlisted public companies' under Companies (Prospectus and Allotment of Securities) Rules, 2014, shares of unlisted public companies can be transferred only in dematerialised form with effect from April 1, 2019. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are requested to consider converting their holdings to dematerialised form.

The format of the Register of Members prescribed by the MCA under the Act, requires the Company/RTA to record additional details of Members, including their PAN details, e-mail address, bank details for payment of dividend, etc. Members holding shares in physical form are requested to submit the filled-in form to the Company or RTA in physical mode, after the restoration of normalcy or in electronic mode to support@purvashare.com, as per instructions mentioned in the form. Members holding shares in electronic form are requested to submit the details to their respective DP only and not to the Company or RTA.

To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned DP and holdings should be verified from time to time.

As per the provisions of Section 72 of the Act, the facility for making nominations is available for the Members in respect of the shares held by them. Members, who have not yet registered their nomination, are requested to register the same by submitting Form No. SH-13 to Company RTA at support@purvashare.com. The said form can be availed by sending a request at the same mail id. Members are requested to submit the said form to their DP in case the shares are held in electronic form and to the Company RTA at support@purvashare.com in case the shares are held in physical form.

Members holding shares in physical form, in identical order of names, in more than one folio, are requested to send to the Company, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making requisite changes.

INDEPENDENT AUDITORS REPORT

To the Members of Doubledot Finance Limited Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of **Doubledot Finance Limited** ("the Company"), which comprise the Balance sheet as at 31st March 2025 and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including Indian Accounting Standards (Ind-AS) specified under section 133 of the Act, of the state of affairs of the Company as at March 31, 2025 and its profit (including other comprehensive income) and its Cash Flows and Changes in Equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAS) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<i>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 "Revenue from Contracts with Customers" (new revenue accounting standard)</i> The application of the new revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognised over a period. Additionally, new revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.	<u>Principal Audit Procedures</u> We assessed the Company's process to identify the impact of adoption of the new revenue accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows: ● Evaluated the design of internal controls relating to implementation of the new revenue accounting standard. ● Tested the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard. ● Selected a sample of continuing contracts and performed the following procedures: — Read, analysed and identified the distinct performance obligations in these contracts.

		— Compared these performance obligations with that identified and recorded by the Company. — Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration. — Performed analytical procedures for reasonableness of revenues disclosed

Information Other than the Financial Statements and Auditor's Report Thereon

5. The Company's Board of Directors and Management is responsible for the preparation of other information. The other information comprises the information included in the Board's report including Annexure to Board's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of other information, we are required to report that fact. We have nothing to report in this regard

Management Responsibilities for the Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) Of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act read with rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance Of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Sas will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
10. As part of an audit in accordance with Standard on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern, and;
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

14. As required by the Master Direction- Non-Banking Financial Companies Auditor's Report (Reserve Bank) Directions 2016 ("the Directions") issued by the Reserve Bank of India ("the Bank") in exercise of powers conferred by Section 45MA(1A) of the Reserve Bank of India Act 1934 and on the basis of such checks as we considered appropriate and according to the information and explanations given to us we hereby report on the matters specified in paragraphs 3 and 4 of the said Directions to the extent applicable:
 - i. The Company is engaged in the business of a non-banking financial institution and has duly obtained a Certificate of Registration (COR) from the Bank.
 - ii. The Company has more than 50% of its assets in financial assets and it has earned more than 50% of its income from financial assets. Annexure B to the Independent Auditors Report of even date to the members of Doubledot Finance Limited, on the financial statements for the year ended 31st March, 2025

Independent Auditors Report on the Internal Financial Controls with reference to the financial statements under clause (i) of subsection 3 of section 143 of the Companies Act, 2013 (the Act).

1. In conjunction with our audit of the financial statements of Doubledot Finance Limited (the Company), as at and for the year ended 31st March, 2025, we have audited the internal financial controls with reference to the financial statements of the Company as at that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to Financial Reporting

6. A company's internal financial control with reference to financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted account principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

DOUBLEDOT FINANCE LIMITED
Notes to the Standalone Financial Statements for the year ended 31st March 2025

1. Company Overview

Doubledot Finance Limited (the 'Company') is domiciled in India. The Company's registered office is at 645, Anna Salai, Thousands Lights, Chennai - 600006. The Company's Company Information Number (CIN) is U93090TN1989PLC021901.

The Company is a Public Limited Company and is a Non Banking Financial company registered with RBI. The company is engaged in the business of buying and selling shares & securities: making Investments & advancing loans. The company's administrative office is located in Mumbai.

These Ind-AS compliant Standalone Financial Statements were approved by the Board of Directors on May 29, 2025.

2. Basis of Preparation

2.1. Statement of compliance and Basis of Preparation

These financial statements of the Company have been prepared in accordance with the Indian Accounting Standard (herein after referred to as the Ind AS) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ("the Act") read with Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and the relevant provisions of the Act.

The financial statements have been prepared on accrual basis using the historical cost measurement along with other permissible measurement basis.

The accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2.2. Functional and presentation currency

The financial statements are presented in Indian Rupees (INR), which is Company's functional currency. All amounts disclosed in the financial statements and notes have been rounded off to the nearest rupee as per the requirement of Schedule III of the Companies Act, 2013, unless otherwise indicated.

2.3. Use of judgments and estimates

The preparation of the financial statements in conformity with Ind AS requires management to make certain estimates, judgments and assumptions. These affect the application of accounting policies, the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the reporting date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period and the actual results could differ from those estimates. These are reviewed by the management on an on-going basis and appropriate changes in estimates are made prospectively as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

The management believes that the estimates used in preparation of these financial statements are just, prudent and reasonable.

3. Significant Accounting Policies

The Company has consistently applied the following accounting policies to all periods presented in these financial statements.

3.1 Property, plant and equipment

The Company has applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2016 as the deemed cost under IND AS. Hence regarded thereafter as historical cost.

All the items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

When significant parts of property, plant and equipment are required to be replaced at intervals, the company derecognizes the replaced part and recognizes the new part with its own associated useful life and it is depreciated accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment. All others repairs and maintenance cost are recognized in the statement of profit and loss as incurred.

DOUBLEDOT FINANCE LIMITED
Notes to the Standalone Financial Statements for the year ended 31st March 2025

Subsequent cost are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item that will flow to the company and the cost of the items can be measured reliably. Expenses directly related to construction activity or incidental thereto, are allocated to fixed assets at the time of completion of the project.

The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of company's assets are determined by management at the time the asset is acquired and the assets residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

Depreciation on Property, Plant and Equipment, other than Freehold Land is provided over the useful life of the asset as specified in schedule II to the Companies Act, 2013. Property, Plant and Equipment which are added / disposed off during the year, depreciation is provided on pro rata basis with reference to the month of addition and deletion. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

The estimated useful lives of assets are as follows:

Office Equipment	05 Years
Furniture and Fixtures	10 Years
Vehicles	08 Years

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

In case of pre-owned assets, the useful life is estimated on a case to case basis.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

3.2 Borrowing Costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalized as a part of such assets till such time as the assets are ready for their intended use or sale. All other borrowing costs are recognised as expense in the period in which they are incurred.

3.3 Investments in subsidiaries, joint ventures and associates:

Investments in subsidiaries, joint ventures and associates are recognised at cost as per Ind AS 27. Except where investments accounted for at cost shall be accounted for in accordance with Ind AS 105, Non-current Assets Held for Sale and Discontinued Operations, when they are classified as held for sale.

3.4 Cash and cash equivalent:

For the purpose of presentation in the statement of cash flows, cash and cash equivalent comprise cash on hand, bank balances and demand deposit with the bank which are short term, highly liquid investment that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.5 Revenue recognition:

(i) Rendering of services

Revenue for the sale of service is recognized in the accounting period in which the services are rendered as per terms of the contract.

(ii) Other income

Other income is comprised primarily of interest income and dividend income. Interest income is recognized using the effective interest method. Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established.

DOUBLEDOT FINANCE LIMITED
Notes to the Standalone Financial Statements for the year ended 31st March 2025

3.6 Lease

Operating Lease

As a lessee:

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company, as lessee, are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases.

3.7 Income tax

Income tax expense comprises of current and deferred tax. It is recognised in profit or loss except to the extent that it relates to items recognized directly in equity, in which case it is recognised directly in Other Comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or recoverable on the taxable income or loss for the year and any adjustment to the tax payable or recoverable in respect of previous years. The amount of current tax payable or recoverable is the best estimate of the tax amount expected to be paid or received that reflects uncertainty related to income taxes, if any. It is measured using tax rates enacted or substantively enacted at the reporting date.

Minimum Alternative Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

ii. Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on business plans of the Company and the reversal of temporary differences. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves. Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

3.8 Operating Cycle

Based on the nature of activities of the Company, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

3.9 Provisions

A provision is recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

DOUBLEDOT FINANCE LIMITED
Notes to the Standalone Financial Statements for the year ended 31st March 2025

3.10 Earning Per Share:

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

3.11 Derecognition of financial instruments

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under IndAS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

3.12 Employee benefits

(i) Gratuity

The Company provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan') covering eligible employees. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company.

Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date.

The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/(asset) are recognized in other comprehensive income.

(ii) Provident Fund

Eligible employees of the Company receive benefits from a provident fund, which is a contribution plan. Both the eligible employee and the company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary.

Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

iii. Compensated absences:-

The company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absence is determined by actuarial valuation performed by an independent actuary at each balance sheet date using project unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expenses on non-accumulating compensated absences is recognised in the period in which it is occur.

3.13 Financial instruments- Investment and other financial assets

Particulars	Initial recognition	Subsequent recognition
Non-derivative financial instruments		
a) Financial assets	At fair value including directly attributable transaction costs	At amortised cost: if it is held within business model where purpose is to hold asset for contractual cash flows that are solely payments of principal and interest on principal outstanding.
b) Financial assets	At fair value including directly attributable transaction costs	At fair value through other comprehensive income: if it is held within business model where purpose is to hold asset for contractual cash flows that are solely payments of principal and interest on principal outstanding and also

DOUBLEDOT FINANCE LIMITED

		selling financial assets.
c) Financial assets	At fair value excluding directly attributable transaction costs	At fair value through statement of profit and loss: if financial asset is not classified in any of the above categories.
d) Financial liabilities	At fair value including directly attributable transaction costs	At amortised cost: using effective interest method except certain items.
Share capital		
	Ordinary shares classified as equity.	Incremental costs directly attributable to the issuance of new ordinary shares are recognized as a deduction from equity, net of any tax effects.

Derecognition of financial instruments: A financial asset is derecognised by the Company only when:

- It expires; or
- the Company has transferred the rights to receive cash flows from the financial asset; or
- if the Company has not retained control of the financial asset; or
- the Company has transferred substantially all risks and rewards of ownership of the financial asset.

Any gain or loss on derecognition is recognised in statement of profit and loss including cumulative gain or loss in case of financial assets subsequently valued at fair value through other comprehensive income. In case of financial assets subsequently fair valued through profit or loss gain or loss is presented on a net basis.

3.14 Measurement of Fair Value

Company's accounting policies and disclosures require the measurement of fair values, for both financial and non- financial assets and liabilities.

When one is available, the Company measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

If there is no quoted price in an active market, then the Company uses valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction.

The Company regularly reviews significant inputs and valuation adjustments. In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible.

3.15 Impairment

i. Financial assets:

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. For all financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

ii. Non-financial assets:

DOUBLEDOT FINANCE LIMITED
Notes to the Standalone Financial Statements for the year ended 31st March 2025

Property, plant and equipment

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

37 Hierarchy for fair value estimation:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as under

- Level 1 hierarchy includes methods and input that use active quoted prices depending upon type of instrument. The quoted prices are derived from platforms like stock exchange etc. Management has used closing prices and values of closing NAV's as applicable in case of financial instruments \ covered under this level.
- Under level 2 the fair value of the financial instruments that are not traded in any active market are determined using appropriate valuation techniques with the use of observable market data without relying much on the estimates that are entity specific. The inputs under this level are always observable.
- In case of level 3 if one or more of the significant inputs are not derived on the basis of observable market data then fair value estimations derived with such inputs are included in level 3.
- The Company follows a policy to recognise transfers between the levels only at the end of reporting period and accordingly there are no transfers between levels during the year. The information based on the above levels is tabulated here below.

The carrying amount of cash and cash equivalent and other current financial liabilities is considered to be the same as their fair value because of their short-term nature. The financial assets and liabilities that are measured at fair value, the carrying amounts are equal to their fair value.

38 Financial risk management:

The Company's overall risk management policy seeks to minimise potential adverse effect on the financial performance of the Company.

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in loss to the Company and arises mainly from the Company's investment in mutual fund units. The Company invests in mutual fund scheme from reputed fund houses only and hence do not expect to incur any material credit losses.

Liquidity risk is the risk that the Company will face difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. In view of nominal amount of financial liabilities as at the year end and sufficient cash and cash equivalents available, the Company do not expect to face any liquidity risk.
